#### DANIELSON AND PUTNAM NEWS

#### DANIELSON

Upwards of two score members of the Danielson fire department, with Chief A. P. Woodward and other officers were banquet guests of Landlord William S. Brown, of the Altawaugan hotel, Wed-

Reday evning. Landlord Brown entertained the firegen in appreciation of the splendid ser-ter cenderd by the department in sub-tions an early morning fire at the hotel cently, and doing the job so well that Ne house was only slightly damaged and so one of the half hundred guests or con-

Split pea roup, minced ham with eggs otato sailed, but rolls, cake, pie, milk and office were included in the menu.

The firemen were well pleased with the neal and the entertainment provided for fiem and were hearty in their approvided for the department provides of the department.

size. The banquet hour was filled with felly good spirit characteristic of the de-partment at such a happy assemblage.

Wednesday at 1,15 p. m. at the home of Ecoderick A Jacobs Broad street, fundral services for Edward Hill Jacobs sees conducted by Rev. Walter B. Wilsers, paster of the Westfield Congregational church, Birtial was in Westfield senetary. The bearers were employed of the W. M. Leeberg were employed. the E. H. Jacobs Manufacturins company
-Walter Anderson, Clinton Pellett, E.
H. Hammett, Charles Dixon, John J.
Loyle and Edward Maher, A. F. Wood was the funeral director.

At his tieme in the Mashentuck district Wednesday afternoon, at 2.15, funeral services for Frank A, Heath, who died Sunday night in Putnam, were conducted by Rev. Walter B. Williams. The bear-ers were James E. Keech, Willis H. Shipple, Hartwell B. Shippe, Martin Fitz-simmons. Burial was in Westfield exue-tory. A. F. Wood was in charge of the funeral strangements.

Solleitors who came here recently to week for funds estensibly to be used to ald an orphan home for solded children in the south, were shoped out of town by thief John McFarland before they really had a chance to get a first glimose of the borough. Arriving on a train due here about twenty minute before ten o'clock

about twenty militate cafore ten o'clock such week day more int, they loft, by suggestion, a suit 50 monets later. These a those cretentials from the field of churides, Chief McFarland would see permit them to undertake the case they had planned. They were to'd that dissociations as to the instructions would mean difficulties for them. The solocitors said they came here from Norwich, to which city they returned.

There were no developments of special interest during Wednesday relative to the funppearance of the Rol youth, who has been missing since Monday of last week. Fearch for him is continuing, particular strention being given to investigations along the the bank of the Quinebaug river n its reaches south of Danielson as far as the power house of the Connecticut company at what is known as the Dyer farm. Relatives have been and are con-tinuing under a sovere strain since the shappearance of the young man.

The usual acasonable list of commo complaints relative to violations of the motor vehicle laws are coming to the attention of officials charged with enforce tention of officials charged with enforcement of the laws. All of these complaints will receive the attention of the officers. On the other hand, motorists are again complaining of a danger of long standing—that of collision with horse-drawn wehicles without lights that are encountered in numbers on state highways hereabouts after durk. Few motorists are free from worry over the exceptility of striking such a vehicle and figuring in what may

A long-desired improvement is again be-ng talked of as desired—the premanent caving of the space about the passenger station of the N. Y., N. Y. and H. railroad, The job is not so large as to make it real-prohibitive in cost and would constitute by promising in cost and would constitute an improvement that would be appreciated by the many hundreds of persons who use the space every day. The improvement would greatly add to the good appearance of that center and leaving a corresponding averable impression on travelers arriv-

ng here, not to mention the convenience. Dear Bill: Come down Friday night and we will go out troat fishing Saturday norning, as you suggested. I think we better steer say of Snake Meadow brook, as I know at least 'steen hundred fishermen representing territory for miles around the plan to be on that famous stream Saturday (some few of them, so hey say, have taken a try at it already.) I know some other good brooks that will at the secretaried and are not to net as ug here, not to mention the convenience ot be so crowded and are apt to net as brought in from Snake Meadow, where

Wilfred Benoit, now a patient at St. Vincent's hospital in Worcester, is more seriously injured than was indicated by reports received here just after he figured in a crash with a train at a railroad crossing in Perryville, while he was driving toward Webster in a fog Tuesday morning.

hurts.

The big coupe that he was driving crashed into the steps of the last car of a two-car train operating on the short line between Southbridge and Webster. The impact tore the steps off the baggage car, which was at the rear of the train, and crumpled up the automobile, which was a fine and practically now caa.

Dr. Joseph N. Roy, a Webster physician, happened to be trailing along behind Benoit, having been at North Grosvenordale on a professional call, when the accident occurred. He gave the injured man attention at the home.

he injured man attention at the froms of the Welch family near by and the ambulance having been summoned, sent Benoit on to the Worcester hospital.

It was foggy and support on the fine tement highway where the accident oc-curred at the time of the crash, and these conditions are believed to have been chiefly responsible for Benoît not having seen the train sooner. He is ar expert driver of long experience
